

A note to parents:

This month, we have been focusing on our very exciting topic: Blast into space!

The children in the squirrel room have been busy exploring our temporary space station role play area. It has been lovely seeing them all very enthusiastic to learn about planet Earth and beyond!

The hedgehog room have been getting stuck into space themed water play, sensory activities, songs and more.

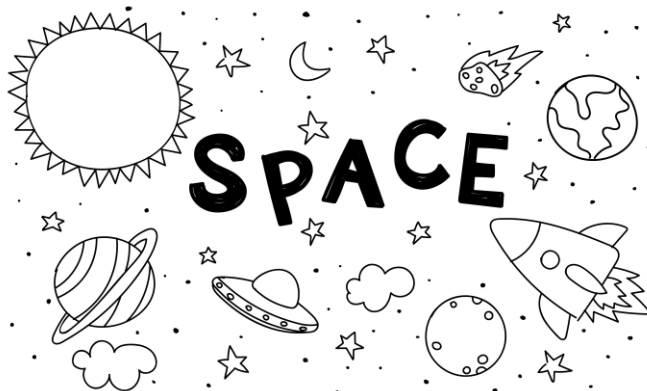

Keep an eye out on Tapestry for updates!

Kind Reminders

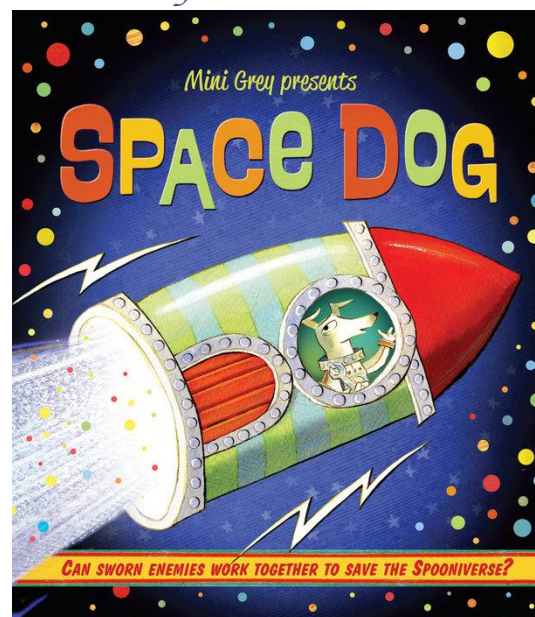

- ☐ **Security** – It is very important for parents and visitors to close the garden gate and put the latch on when you bring your child to nursery or collect them. Please ensure it is kept closed securely.
- ☐ **Spare Clothes Request** – If your child has outgrown any clothes, socks etc, please kindly consider donating to nursery.
- ☐ **Family pictures** – Please kindly bring or send in (Via an observation on Tapestry) pictures of your child with family. We are in the process of creating a new 'Family Tree' display and would love to ensure that everyone is a part of it!
- ☐ **Sun cream and sun hats:** If you haven't already done so, please provided a labelled sun cream and sun hat for us to keep at nursery. Without this, children will not be able to take part in outdoor activities due to the hot weather.

Thank you for your co-operation.
