

### *A note to parents:*

This month, the topic is: Summer!

The children will be exploring a variety of activities linking to all things summer. They will have opportunities to explore small world scenes, create themed crafts, mark make and of course, play with lots of water and sand! We will also be talking about all our plans for the summer holidays.

Please ensure your child has a labelled sun cream and sun hat at the nursery so we can be well prepared for plenty of fun in the sun!
